Stanley Felsing Director

Dear Staff under 18 years of age,

All staff under the age of 18 must have NY State Working Papers. If you live in NY State you get Working Papers from your local High School.

If you live outside of NY State, we will take you to obtain Working Papers when you arrive at camp. We will need the following information:

1. Part A of Application Employment Certificate – filled out and signed by your parent.
2. A Certificate of Physical Fitness **signed** and **stamped** by your physician.
3. Your signed, original Social Security Card.
4. A copy of you Birth Certificate
5. A photo ID.

All staff under 18 **must** have a **Notarized** *Permission to Leave Camp* form.

Enclosed is the form: *Permission to Leave Camp*. Please remember to have it notarized before sending it back. It is required that we have it notarized and **without it you are not permitted to leave the camp grounds on your day off.**

Sincerely,

Hope Felsing
