

Camp Monroe
BUNK REQUEST FORM

DATE received at the CAMP OFFICE _____

Placement is made based on the bunk space available when your form is received

CAMPER'S FIRST & LAST NAME _____ Male__ Female__

Session attending: ___ Full Season ___ 1st Session ___ 2nd Session (Use first name camper prefers to be called by)

Name & location of school attended _____ GRADE IN SEPT 2010 _____

Much thought goes into the planning of our bunks. In order to help us properly place your child, please read and fill out this form. .
If a camper is a new camper, we take into consideration:

- Which other new campers are coming in the age group
- Your comments about the camper
- If the camper knows anyone else in the age group
- The dynamics of the different bunks in the age group
- The balance of new & returning and half season & full season campers in the age group

If a camper is a returning camper, we take into consideration:

- Who the camper bunked with last year
- What the group leader felt about the dynamics of the group
- Who the camper has requested to be with for this season
- Who has requested to be with the camper this season
- How many campers have requested to be together in one bunk
- The balance of new & returning and half season & full season campers in the age group

INSTRUCTIONS FOR A NEW CAMPER

List all information that might be helpful in placing your child. Do you wish your child be placed with someone he/she knows?
(Placement with a returning camper, though comforting before camp, is not always the best choice since the friend may be torn between his/her camp friends and your child. Placement with other new children is usually best. Think and talk about this with the other family). If your child is older or younger than his/her grade, with which grade of children would you suggest placing him/her?
Does your child have any special needs that would affect his/her bunk placement?

INSTRUCTIONS FOR A RETURNING CAMPER – Bunk number/letter in 2009 _____.

List below up to four friends you would like your child to bunk with. We will make every effort to place your camper with at least one of the four requested regardless of the order. We will place your child with as many of the four as possible. Use the space underneath for any other information we might need in arranging bunk assignments. **We will only consider the first 4 names.**

- | | |
|----|----|
| 1- | 3- |
| 2- | 4- |

Optional and confidential: Please indicate if you prefer your child NOT bunk with someone and why. (For example: a child coming from one school might prefer not to bunk with school friends, but would rather make new friends).

* This may mean that your child *won't* be placed with the children he/she requested to be with, *do you want us to do this?* *
